

Join researchers and clinicians from across the Georgia CTSA for a session on **LGBTQ+ Health**.

Blue Sky Groups are unstructured meetings that provide a unique opportunity for attendees to drive the agenda and catalyze future collaborations and research opportunities.

The discussion will be opened by Dr. Don Operario, a leading researcher in this field. Discussion topics may include, but are not limited to:

- What are the burning issues in this area?
- What are the known funding opportunities?
- What are the cross-institutional collaborative research opportunities in this space?

Share your experience, learn from others, enjoy opportunities for interdisciplinary networking and find potential collaborators!

When:
September 6, 2023
11:30 AM- 1:00 PM

Where:
ZOOM
(link in registration)
